- *Chemistry Department is still under renovation. Lecturers without teaching space can exploit space in classrooms at Makerere College School. We advise that lecturers could utilize MACOS instead of scrambling for the limited space at campus.*
- *For practicals in Chemistry, the concerned lecturers will still improvise for space, working hand-in-hand with Lab Technicians.*

VENUES FOR LECTURES ARE THE RESPECTIVE DEPARTMENTS i.e. Department of Physics (for Physics lectures), Department of Mathematics (for Maths lectures), Botany Department (for Zoology and Botany lectures), ALL Computer lectures will be conducted from the Distance Education computer Laboratory at the Department of open and Distance Learning.

Use the telephone numbers of lecturers on this time table to remind them (by sms or by calling) of their lectures at least one day before
