

Curriculum Vitae

For

DR. HENRY BUSULWA SSEBULIBA

BSc(Hons), PGDE, PGTL, MSc, PhD

1. BIODATA

DATE OF BIRTH: **12 DECEMBER 1964 (49 YRS)**

NATIONALITY: UGANDAN

MARITAL STATUS: WIDOWED

ADDRESS: C/o SCHOOL OF EDUCATION,
COLLEGE OF EDUCATION AND EXTERNAL STUDIES,
MAKERERE UNIVERSITY
P. O. BOX 7062,
KAMPALA
TEL: +256 712 695726
EMAIL: hbusulwa@yahoo.co.uk; hsbusulwa@cees.mak.ac.ug

2. EDUCATION AND TRAINING WITH DATES

1997- 2001: **PhD**_(Aquatic Environments) Makerere University, Faculty of Science, Kampala. Studied the Fisheries and Aquatic habitats of the Streams and Rivers of Rwenzori Mountains Uganda. A thesis and several publications describing the Rwenzori aquatic ecosystems have been made.

1993 Post-Graduate Training (Diploma) in Limnology (**PGTL**) at the Austrian Academy of Sciences, Institute of Limnology Austria. Did specialised training in Freshwater Ecosystem management & Fish farming at Trebon Czech Republic.

1990-1993: Master of Science Degree (**MSc**) in Zoology, Makerere University specialising in Hydrobiology Fisheries & freshwater biology). Studied by **Course work & Research** and wrote a thesis on "**Nutrients, Productivity and Fish Distribution of Shallow water of Lake Edward**", Uganda.

1988 - 1989: Post-Graduate Diploma in Education (**PGDE**) of Makerere University. Qualified as teacher for Biology & Physical Education.

1985 - 1988: - Bachelor of Science degree (**BSc_{hons}**) of Makerere University. Majoring in Zoology; hydro-biology and advanced ecology options as follows

- 1987-1988: Zoology majoring in Hydrobiology and Advanced ecology options
- 1986-1987: Botany and Zoology
- 1985-1985: Zoology, Botany and Physical Education

- 1983 - 1985: Uganda Advanced Certificate of Education (**UACE**) in Physics, Chemistry and Biology at Namilyango College. Passed with 3 principals and 2 subsidiaries
- 1979 -1982: Uganda Certificate of Education (**UCE**) at Namilyango_College. Passed in Division One.
- 1971 -1977: Primary Education (**PLE**) at Namilyango Junior Boys School and passed in Division One.

SPECIALISED TRAINING (Short Courses)

- 2006 –Personal Mastery Training (Eagle 36) Lecturers networked to develop personal mastery skills relevant to enhancing confidence in delivery of services.
- 2005: Project Management Training and Performance indicators by SETYM International, Dar as Salaam 11th – 22nd April 2005.
- 2004: Training for Wetlands Management in the Nile Basin Initiative, Mukono Uganda. December 2004.
- 2003: Two months Training on Technologies for Inspection of Water pollution in urban areas, Japan under the auspices of Japan Technical Co-operation Agency.
- 2002: Climatic Change an African Perspective Africa, Uganda Management Institute September 2002.
- 2002: Training course on Negotiating Skills organised by Ministry of Water Land and Environment, Directorate of Water Development March 2002.
- 2002: Five weeks training course on Participatory Rural Appraisals tailor made to the needs of Lake Victoria communities. April May 2002. Egerton University, Kenya.
- 2000: ISO 14000 Environmental Management Systems, by Sida in Stockholm 4th March – 8th April 2000.
- 1999: Computer training in house tailor made through capacity building in conjunction with Ministry of Finance. February – April 1999.
- 1994: Environment Impact Assessment Training for National Park Researchers

3. WORK EXPERIENCE WITH DATES

- 2008: to Present Senior Lecturer at the Department of Science and Technical Education
- 2004: Lecturer Biology Education at DOSATE, Makerere University. Specialise in teaching Biology Education components of Wetland and Fisheries Biology, Environment Education, Biology Teaching Methods, Biological evolution, Natural Resources Management.
- 1998 – 2002 Research Associate for the Wetlands Management Component of the Lake Victoria Environment Management Project. Coordinated the research programme of the programme.
- 1997 – 2001: PhD Research Fellow at Rwenzori National Park, Uganda Wildlife Authority. Other Duties Co-ordinate research and Environment Impact

Assessment activities for National Parks and the Uganda Wildlife Authority.

1994 - 1997: Research Fellow - Acting Chief Research Officer, Uganda Institute of Ecology. Management of Research Programmes at the former Uganda National Parks, before it turned into the Uganda Wildlife Authority. Established a Meteorology station at Queen Elizabeth National Park, Mweya.

1992 Teaching assistant with Department of Science and Technical Education, Makerere University. Assisted teaching at DOSATE and in Zoology Department in the Faculty of Science. Courses included hydrobiology, fisheries biology, evolution, Natural Resources Management, Biology Teaching Methods.

1991-1992: MSc Research Fellow, Uganda Institute of Ecology, Queen Elizabeth National Park. Carried out research on fresh water and fisheries research, in Wetlands and Lakes Edward, George, Mburo and Rwenzori mountain rivers; Supervised and guided postgraduates and researchers in ecological research. Developed a Conservation Education and Extension programmes to communities, students and tourists for the Uganda National Parks. Assisted in Teaching Wildlife Courses at Wildlife College Lake Katwe, Uganda.

1989-1993: Secondary School Teacher for Biology and Physical Education, Lubiri Secondary School. Other Duties were: -
- Class Co-ordinator S.1 and S. 6 Biology & Science (PCB/M)
- Class teacher S.1 and S.6
- Head of Department Biology
- Debating Club Patron
- Head of Department, Physical Education
- Sports observer and internal ex-official
- Patron Science club

1988-1989: Research Assistant to Prof J. Okedi, Zoology Department Makerere University. Collection of data on the following research topics
1. Swamp Fisheries of Eastern Uganda
2. Lake Flies on Lake Victoria
3. Human Utilisation of *Rastrenobolus argenteus* (Mukene) in Uganda.

4. ACADEMIC RESPONSIBILITIES WITH DATES

2010 – 2011 Chair for Master of Education Viva Voce panel

2010 April – October Coordinated the restructuring of Education Academic Graduate and Undergraduate Programmes.

2010 November: Member of the College formation committee for the formation of the College of Education and External Studies (CEES)

2010: School of Education academic staff representative to University SENATE.

2004- 2008 School Practice Zonal Leader

2004 – Present: Reviewer of the MSc and PhD research proposals and dissertations

2004 – Present: Coordinator of Biology Education BSc Educ Biological Programme

2004 – Present: Supervision and marking of Masters students and guiding undergraduate research programmes

5. ADMINISTRATIVE RESPONSIBILITIES WITH DATES

March 2011: Head/Chair of Department Science, Technical and Vocational Education, School of Education, College of Education and External Studies, Makerere University.

April 2011: Acting Deputy Dean School of Education

November 2010 Deputy Dean School of Education

April 2010 School of Education Staff representative to SENATE, Makerere University, Library and higher degrees' committee.

April 2010 Acting Deputy Dean in Charge of Academics, School of Education Makerere University

2007 – Confirmed into the Makerere University Service.

6. RESEARCH PROJECTS WITH DATES, SOURCE OF FUNDING, TEAM MEMBERS AND YOUR ROLE E.G. TEAM LEADER.

2007 – 2009 Team leader, Wetlands and Biodiversity Component of the Nile Basin Initiative. Coordinated scientist and wetlands and biodiversity practitioners in the Nile Basin Region to research and document information on wetlands and biodiversity at national and regional level. Funded by the World Bank. In this project the Research on wetlands as buffer to lakes and river catchments was studied together with their cost benefit analysis. Inventory of Wetlands using GIS and Arcview 9 programs. Other assignments included capacity building, co-ordination & monitoring programmes that promoted understanding the functions & sustainable use of wetlands in Uganda. Publications were produced

1999 – 2001 Team leader, Studies on the Buffering capacity of wetlands of Lake Victoria, Uganda, Uganda. Coordinated scientists nationally and regionally with East African States. Funded by the Nile Basin Initiative Secretariat, Entebbe Uganda.

1997-1999 Fishes and Ecosystems of Rwenzori Mountain Rivers Uganda. PhD research project. Coordinated two MSc students and two other researchers. Funded by Darwin Initiative, Uganda National Parks, DAAD, and NUFU project. The research had two MSc and several independent researchers.

7. CONSULTATIONS (INDIVIDUAL RESEARCH PROJECTS) WITH DATES

2007 – 2009 Wetlands and Biodiversity Specialist, Nile Basin Initiative. Funded by Nile Basin Secretariat Entebbe.

2003 – 2005: Consultant at the Wetlands Department, Ministry of Water Lands and Environment. Technical Advisor Published book on Nabugabo Ramsar site, Uganda.

1999 – 2001 Research Associate Wetlands Management Component of the Lake Victoria Environment Management Project – Ministry of Water Lands and Environment

2000 – 2005 Developed manuals for Community Wetland management planning together with guidelines for wetland wise use for Uganda.

1993 – Consultant – Lake Mburo Fisheries study. Advise on shifting of a fishing village from one location to another

NB: Done many short term consultations as an individual consultant and subscribed as a sub contractor in many assignments

8. INTERNATIONAL AND DOMESTIC CONFERENCES, SEMINARS AND WORKSHOPS ATTACHED

June 09 -15, 2014 3rd AFTRA Teaching and Learning in Africa Conference and 5th AFTRA Roundtable (GHANA 2014). Presented a paper

August 2013 – DETA Conference Nairobi Kenya – Presented a paper

June 2012 – Ghana: International Conference for Teacher Education (ICET)

September 2010: Regional Research Conference of Makerere University with University of Bergen and Presented a paper on Biodiversity and Land Use at Munnyonyo, Uganda.

December 2008: The Nile Basin Development Forum Conference in Khartoum, Sudan and participated as Rapportuer for various sessions. As Rappateur Compiled the proceedings for the conference.

November 2008: International Ramsar Conference of Parties in Changwon, South Korea. Present a paper on the **Management of Wetlands in the Nile Basin**, with an **exhibition** and **side event** on the roles of wetlands to supporting livelihoods

- April 2008: Scientific Conference on the Sudd Wetlands, South Sudan. Presented a paper on the role of Central Government in the coordination and management of wetlands through institutionalisation and policy formulation guidelines.
- 2005 Attend Conference of Parties by Ramsar Convention. Was on the organising committee in charge of Documentation of the various reports that were prepared before and after the conference. Produced and edited the final report on Ramsar conference in Uganda.
- 2004 – 2005 Participated in the development of the National Wetlands Advisory Group, a multi sectoral institution in Uganda that advises Wetlands Inspection Division on cross cutting issues pertaining to wetland management.
- 2002 NUFU Conference Makerere University, Faculty of Science, Presented a paper on the Rivers of Rwenzori Mountains
- 2000 – 2006 National and Regional Conferences for Lake Victoria Environment Management Project
- 1997 Rwenzori Mountains conference organised by the Geography Department and Mountaineering club of Uganda.
- 1995 Seville UNESCO's Conference on Man and Biosphere Reserves, Seville Spain. Presented a paper on Queen Elizabeth Biophere Reserve.
- 1991 Kampala. 3rd International Symposium on Endangered species, Conference centre. Uganda Institute of Ecology, Uganda National Parks.

9. PUBLICATIONS

(a) Since last promotion

1. Stutchbury, Kris; Acquah, Sakina; Ngman-Wara, Ernest; Goodwell, Kaulu; Shayo, Simon; **Busulwa, Henry** and Wambugu, Patricia (2013). Implementating TESSA teaching lower secondary science: learning from the experience and the implications for partnership working. In: *Distance Education for Teachers in Africa, 30th July - 1st August, 2013, Nairobi, Kenya*.
2. Bateganya, N. L., Tukahirwa, T. J., **Busulwa, H.**, and Hein, T. (2013). “**Integrating Wetland Ecosystem Services into the Planning of Urban Landscapes in Developing Cities of East Africa: Lessons from European Riverine Wetlands and Floodplains**”, *Emerging Scholars Ed., International Human Dimensions Programme on Global Environmental Change and Global Institute of Sustainability, Arizona State University, USA*
3. Zake J. J.Y Zake, **H Busulwa** & F. Kiwazi (2011), Sustainable use of Wetland Soils in Eastern region of Uganda around lake Victoria. *Water Practice Journal & Technology*.
4. Busulwa Henry (2009) The Wetlands, Biodiversity and Water Quality Status of Lake Cyohoha, A Book Chapter for the Nile Basin Initiative, Worldbank. *pp 1-21*.
5. Busulwa H (2009) **The Lake Tana Sub Basin**. In: *The Biodiversity, Wetlands and*

Water Quality of Lake Tana Sub Basin. *Wetlands Component of the Nile Transboundary Environmental Action Project, Nile Basin Initiative*

6. Busulwa H (2009) **Introduction to Lake Cyohoha Sub Basin** In: The Wetlands, Biodiversity and Water Quality Status of Lake Cyohoha Sub Basin. *Wetlands & Biodiversity Conservation Component of the Nile Transboundary Environmental Action Project of the Nile Basin Initiative. Pg 1 – 11*
7. Busulwa H, J. Nyunja and S Ambasa (2009). **The Sio Siteko System**. The Sio Siteko Transboundary Wetlands System, a Rapid Assessment. *Wetlands & Biodiversity Conservation Component of the Nile Transboundary Environmental Action Project of the Nile Basin Initiative. Pg 10 - 15*
8. Busulwa H and J Oonyu (2009) Understanding our Wetlands – A resource book for tertiary Institutions. A production of the Nile Transboundary Environmental Action Project . Nile Basin Initiative. Entebbe.
9. **Busulwa H (Contributing Author)** to “From Conversion to Conservation” edited by Elroy B *et al* (2005), A publication of fifteen years of Managing Wetlands for People and the Environment in Uganda, An IUCN publication.
10. Kaddu J. B and H Busulwa (2010) **Baseline Report on the State of Biodiversity in the Nile Uganda (2010)**, *Wetlands & Biodiversity Conservation Component of the Nile Transboundary Environmental Action Project of the Nile Basin Initiative.*
11. Busulwa Henry (2010) **Baseline Report on the State of Biodiversity in the Nile Kenya (2010)**, *Wetlands & Biodiversity Conservation Component of the Nile Transboundary Environmental Action Project of the Nile Basin Initiative.*

Other Publications for which I have contributed.

12. Sio Siteko Transboundary Management Plan (2009) *Wetlands & Biodiversity Conservation Component of the Nile Transboundary Environmental Action Project of the Nile Basin Initiative.*
13. Joseph Oonyu and H Busulwa (2009) Understanding Our Wetlands, A resource book for Primary Schools A production of the Nile Transboundary Environmental Action Project . Nile Basin Initiative. Entebbe.
14. Joseph Oonyu and H Busulwa (2009) Understanding our Wetlands, A resource book for Secondary Schools A production of the Nile Transboundary Environmental Action Project . Nile Basin Initiative. Entebbe.

In Press:

Bateganya N and H Busulwa (2011) Nutrient dynamics of wetlands supplying domestic water to Masaka Town, Nabajuzi Wetlands, *J. Hydrobiologia*

Busulwa H (2011) Aspects of the Biological environments of the Rwenzori River Streams, Uganda. *African J of Tropical Hydrobiologia.*

(b) Publications before last promotion

15. Co editor for (2005) “**Experiences gained in Managing Lake Victoria Ecosystems**”, A publication of Lake Victoria Environment Management Project, Regional Officer Dar as Salaam
16. **Busulwa H**, P. Mafabi and L. Ndawula (2005). **A compilation of the Scientific Information for Nabugabo Ramsar site, Uganda**. A Book Chapter on scientific information on Nabugabo Ramsar Site. Printed by Josu Links (U) Ltd – Kampala, Uganda.
17. Kalungi E, F. Kiwazi, **H. Busulwa** and P. Mafabi (2005) **Experience of Rattan Cane *Calamus deeratus* Propagation trials in Uganda**. In Knowledge and Experiences of Managing Lake Victoria Ecosystems. Lake Victorian Environmental Management Project.
18. Iyango L, F. Kiwazi, T. Tindamanyire, E. Kaganzi., **H. Busulwa** and P Mafabi (2005) **Traditional Wetlands Practices in Rural communities in Uganda (2005)**. In Knowledge and Experiences of Managing Lake Victoria Ecosystems. Lake Victorian Environmental Management Project.
19. Kansiime, F. Opio, A; Mafabi, P. and **Busulwa, H.** (2004) Kinawataka wetland: a functional ecosystem that can be used as a reference to conserve other wetlands in Uganda *Natural and Constructed Wetlands: Nutrients, Metals and Management pp 369-381 edited by J Vymazal*. Backhuys Publishers, Leiden, The Netherlands.
20. **Busulwa H. S** and P. G. Mafabi (2004) Policy and Challenges of managing Wetland Ecosystems, a Case Study for Uganda. *Hydrobiologia*

35. Busulwa H (1996) **"The Socio Economic Status of The Fishing Villages of Queen Elizabeth National Park"** CARE Workshop Proceedings, 29-31st March 1996.
36. Busulwa H (1995) **"The Status of The Fishery of Lake Edward."** 2nd FISA Conference 31st - 4th August 1995, Nairobi, Kenya.
37. Busulwa H (1995). **"Queen Elizabeth National Park - A Biosphere Reserve case study"**. International Conference on Biosphere Reserves, Spain 20th-26th March 1995
38. Bailey R G, **Busulwa H** and A Williams (1994). **"Fish and Aquatic Ecosystems in the Rwenzori Mountains", Uganda.** A report to Darwin Initiative No. 14.
39. Busulwa H (1993). **Structure and Composition of Zooplankton in Ponds of different fish sizes.** Austrian Academy of Sciences.

40. Busulwa H (1992). "**Lake Mbuoro Fisheries Management Study**", Report to African Wildlife Foundation. Uganda Institute of Ecology.
41. Busulwa H.S. (1993). "**Aspects of Nutrients, Productivity and fish Distribution of Lake Edward** MSc. Thesis, Makerere University.
42. Busulwa Henry (1988) The Benthos of Murchison Bay, Lake Victoria. Research dissertation for partial fulfilment of Degree of Bachelor of Science, Makerere University.

10. MEMBERSHIP TO NATIONAL AND INTERNATIONAL BODIES/ASSOCIATIONS

- a) Members of African Board, Wetlands Livelihood Project, Wetlands International
- b) Member of Training Board Wetlands and Poverty Reduction Project, Wetlands International
- c) National Member, UNESCO Man and Biosphere MaB Committee, Uganda.
- d) National Member Uganda Wildlife Society
- e) Member Nature Uganda a subsidiary of East African Natural History Society

11. GRADUATE SUPERVISION

- (a) Since last promotion

Yiga Charles - The Diversity And Relative Abundance Of Fish Species In Sezibwa Riverine Wetland, Kayunga District – completed in 2009 Makerere University.

Najib Lukoyaa Bateganya Hydrological and water quality characterization of a tropical riverine wetland: Nabajjuzi, Uganda, East Africa. MSc Thesis ES 10.26 April 2010

MED – Sarah Ojikit (2014). Aspect of Utilization of Biological Resources by residents of Pece Wetland Gulu District. Completed.

MED Okello Jimmy (2013) Parents Perspective and their Involvement in reproductive health education of their in school adolscents in Soroti Municipality (Completed)

Obbo Katandi Gabriel -- Title: The Integration Of Environmental Education Into Primary School Science Curriculum 2003/Hd04/17824 Completed In 2009

Mukasa Tom Bukenya - The Life History Response Of Nile Tilapia Oreochromis Niloticus To Ecological Changes In Lake Nabugabo, Uganda Completed

(b) On Going Supervision

PhD – **Bateganya Najib**: Relationship between nutrient in loads and water quality of a small wetlands source of drinking water to Masaka Town. University of Vienna Austria. On Going.

PhD – Masanyu Juma Peter: Pedagogical Innovations in Science Education and their Influence on performance under universal secondary education in Eastern Uganda
– On Going

12. SERVICE TO COMMUNITY

- a. Chairman Finance Board, Lugazi Diocesan Board of Education
- b. Member, Lugazi Diocesan Education Board
- c. Director and Chairman, Namiryango High School, Gulama (Proprietor of a Secondary School.
- d. Chairman Governing Council, Wildlife Training Institute, Lake Katwe. Ministry of Education.
- e. Chairman, School Management Committee, Namiryango St Peter Claver, Primary School
- f. Member, Board of Governors, Mt St Mary's College Namagunga
- g. Member, Board of Governors, St Joseph's high school Namagunga.
- h. Member, Board of Governors, Cardinal Nsubuga Secondary School, Nyenga
- i. Member, School Management Committee, , Namiryango Junior Boys School
- j. Member, School Management Committee St Thereza Girls primary school Namilyango.
- k. Past President Rotary Club of Seeta District 9200 2005/2006 and Active Rotarian
- l. Patron and trustee, Premier Development Association, Seeta
- m. Member, Kalisoliso Development Association, Namiryango
- n. Active farmer in urban agriculture, fish farming, use of biogas and recycling of wastes
- o. Chairman Christian Council of the Laity Namiryango Catholic Parish since 1996.
- p. Chairman Caritas, Namiryango Catholic Deanery.

13. ANY OTHER USEFUL INFORMATION TO BACK-UP YOUR APPLICATION FOR PROMOTION

- a) Head of Department, Biology and Physical education at Lubiri Secondary School 1989 - 1992.
- b) Teaching assistant for more than 10 years. During this time I published and participated in a number of research programmes.
- c) Have marked and assessed more than 15 dissertations and over seen completion of Graduate students at Masters Level both at School of Education and Faculty of Science
- d) Initiated research skills to undergraduate programmes and supervise the research projects. Have supervised many undergraduate projects at the School of education
- e) Demonstrated wise use of environment, produced a number of technical reports which include:
 - a. Cost benefit analysis of wetlands of lake Victoria basin
 - b. The Inventory of Wetlands and Biodiversity of Nile Basin Wetlands.
 - c. Training modules for policy and advocacy in wetlands management.
